

Refreshed Teams

This business activity package combines the best in resources. Tapping into North Devon's pool of health and wellbeing practitioners, to bring a refreshing take on team building, meetings and workshops. Marrying up their expertise and local knowledge with the professional and contemporary services offered at The Carlton.

Refresh and energise

With planned segments of your package that include individual or group therapy treatments, designed to improve brain and body function. Choose from a range of both indoor and outdoor activities, make the most of our immediate and nearby countryside within the North Devon biosphere. All geared towards being beneficial in creating better team engagement.

As part of the fully catered event, we provide a nourishing, well-being menu as well as our standard locally sourced seasonal ingredients.

Your team will also make full use of our 4* hotel facilities including treatment room and gym, plus make the best of
